RESUBMISSION OF NEW UTILITY APPLICATION

U.S. Patent and Trademark Office
P.O. Box 2327
Arlington, Virginia 22202

Sir:

A new patent application which we deposited via Express Mail with the U.S. Postal Service on November 20, 2001, was recently returned without delivery to the USPTO. The reason stated by the Postal Service was their temporary suspension of delivery service to Washington, D.C. Zip Code 20231 and adjacent zip codes.

Applicants are resubmitting the returned documents and request the USPTO to assign a filing date of November 20, 2001, which is identical to the original Express Mail deposit date. The documents herewith enclosed are the original Transmittal Letter, Specification and Claims totaling 14 pages, Executed Declaration, and Two (2) Postcards. Also enclosed is a Declaration of Facts in support of the present request for a filing date.

In the event there are additional fees incurred, please charge our Deposit Acct.
No. 12-1155. This request is being submitted in triplicate.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Milton L. Honig", written over a horizontal line.
